NET·ATELIER

Project records for interior designers

net-atelier.com

When the brief changes, keep the project coherent.

Every client decision lands in one place, so a revised choice does not leave you hunting for which document still needs attention.

- Change once, anywhere. No repetitive work.
- Instantly import product details from web pages.
- Take the project into Excel when you need it.

Use the project with the most revised brief as your first example.
