

Project records for interior designers

net-atelier.com

Heather Sarna · Founder

B.I.D., M.Cert Project Management, NCIDQ

01 Concept boards & specifications

Keep the image, available product details, and current specification together in the project record.

02 Budgets, proposals, purchase orders & invoices

Create the linked draft proposal, draft purchase order, and draft invoice from the current specification record.

03 When a selection changes, update its specification once

The linked budget, affected draft proposal, draft purchase order, and draft invoice update from the same record.
